Notice of Completion of BioGro JAS renewal certification

Dear Bridget,

Thank you for applying to renew your BioGro JAS certification. Your audit and certification have been completed, and this is proof of renewal of your JAS certification.

Please note that JAS certification will continue until it is surrendered. We only issue a letter of renewal completion annually once you complete the annual audit. Therefore, please ensure you keep this notice of completion of BioGro JAS renewal certification as the most recent verification of your JAS compliance for your buyer(s). The details of your certification will also be listed on the BioGro website (www.biogro.co.nz).

If you have any queries regarding your certification or the use of the BioGro logo or the JAS logo, please contact your auditor or our office. Thank you for certifying with BioGro, and we wish you every success for the coming year.

Yours sincerely,
