Dazzle™

129

Dazzle™ is one of New Zealand's newest apples, and exclusive to Bostock New Zealand and a select group of growers. This sweet, crisp ready-to-eat apple is amazingly delicious. Bright red and glossy on the outside, it has a full, juicy flavour, and sparkling, firm white flesh. Best of all, it retains its fresh-picked perfection right up until the time you choose to eat it.

DIVA™

114

DIVA™ apples are bright and shiny and its stunning, rich red colour and naturally larger size draws the eye. DIVA™ is higher brix and sweeter tasting than other varieties, with firm, dense flesh and a juicy, crispy bite. It performs better for longer and is only available for a limited season exclusively from Bostock New Zealand and two other exporters.

			🍃	🍃	🍃	🍃	🍃	

Granny Smith

002

A distinctively green skinned apple with a refreshingly tart, crisp, bright white flesh that resists browning once cut. The flesh is very firm which makes it popular for both cooking and eating.
