### Organic Dazzle™

129

Dazzle™ is one of New Zealand's newest apples, and exclusive to Bostock New Zealand and a select group of growers. This sweet, crisp ready-to-eat apple is amazingly delicious. Bright red and glossy on the outside, it has a full, juicy flavour, and sparkling, firm white flesh. Best of all, it retains its fresh-picked perfection right up until the time you choose to eat it.

### Organic Braeburn

035

Developed in New Zealand, Braeburn is a popular medium to large apple with a beautiful flavour balance between sweet and tart. With distinctive crisp flesh and skin that ranges from bold red stripes to a deep blush, Braeburn is one of New Zealand's top apple exports.

### Organic Granny Smith

002

A distinctively green skinned apple with a refreshingly tart, crisp, bright white flesh that resists browning once cut. The flesh is very firm which makes it popular for both cooking and eating.

### Organic Kanzi™

042

Organic Kanzi™ is a cross of Gala and Braeburn so the flavour is a blend of the sweet Gala and the juicy, tangy Braeburn. It has a firm, white and fragrant flesh and a blushing red skin.
